Introduction

This guide is for new and experienced exams officers who need to submit entry information for Cambridge exams. It provides a high-level view of the entry submission process and a detailed description of the procedures that you need to follow. The guide also provides an index of all syllabus and option codes for entry in the June 2026 exam series.

The qualifications covered in this document are:

- Cambridge International General Certificate of Secondary Education (IGCSE™)
- Cambridge International General Certificate of Secondary Education 9–1 (IGCSE 9–1)
- Cambridge Ordinary Level (O Level)
- Cambridge International Advanced Subsidiary Level (AS Level)
- Cambridge International Advanced Level (A Level)
- Cambridge International Project Qualification (CIPQ)
- Cambridge International Certificate of Education (ICE Diploma)
- Cambridge Advanced International Certificate of Education Diploma (AICE Diploma)

Cambridge Primary Checkpoint and Cambridge Lower Secondary Checkpoint are part of the May 2026 series. You can find information relating to these qualifications in the *Cambridge Guide to Making Entries for Primary Checkpoint and Lower Secondary Checkpoint Syllabuses May 2026*.

You should read this guide in conjunction with the *Cambridge Handbook 2026*. This sets out the regulations that govern all Cambridge exams and the administrative tasks exams officers need to carry out during the series. You should also refer to the June 2026 exam timetable to make sure that any timetable clashes are detected as early as possible.

The guide is divided into the following sections:

- Part 1 provides information on the different methods available for submitting your entries and gives detailed instructions on how to use these.
- Part 2 provides information on what happens after we have received your entries and what materials you will receive once we have processed them.
- Part 3 provides an index of the syllabus and option codes available in the June 2026 exam series.
- Part 4 provides entry instructions for the Cambridge ICE and AICE Diploma group awards.

The *Cambridge Guide to Making Entries* describes the process for submitting entries from the perspective of an exams officer from a Cambridge International School. If you work in an Associate Centre you will also have to comply with any extra local arrangements required by your Cambridge Associate.

Final date for receiving entries

The entry deadlines for the June 2026 exam series are shown below:

	Final entry deadline	Late entry period	Late entry deadline	Very late entry period
June Cambridge IGCSE Cambridge IGCSE 9-1 Cambridge O Level Cambridge International AS and A Level Cambridge International Project Qualification Cambridge ICE/AICE Diploma	21 February	22 February – 17 April	17 April	18 April onwards

We recommend that you submit your entries at least two weeks before the final entry deadline. This will give you time to check your entries online using Cambridge International Direct ('Direct' for short) and submit any changes before late fees are charged.

For any entries or amendments we receive after the final entry deadline, we will charge:

- A late entry fee for entries or changes to entry options we receive during the late entry period.
- A very late entry fee for entries or changes to entry options we accept during the very late entry period. This includes unauthorised entries or any exceptional cases where we agree to send extra question papers after the late entry deadline.

Check that all your entries are correct before the late entry closing date. We may not be able to accept any changes you submit after this date.

Part 1: Instructions for submitting entries

1.1 Preparing your entries using Cambridge International Direct

We recommend that all centres submit their entries using the online Exams Dashboard available on Direct (<https://direct.cie.org.uk>). This tool will allow you to manage your exam entries for the current series and to carry out other administrative tasks like submitting marks and forecast grades.

Free online training for using the dashboard is available as part of the 'Getting to know the Cambridge Exams Cycle' course – if you are interested in taking this course, please contact Customer Services. A series of video tutorials are also available on our website. Go to: <https://help.cambridgeinternational.org> > 'Administering exams' > 'Cambridge International Direct Entries – Video Tutorials'.

If your centre is attached to a Cambridge Associate and they have asked you to use a different system to make your entries, you should follow their instructions. If you cannot use the Exams Dashboard download the 2026 Final Entry Form from the 'Support Materials' section of Direct. (Please note that we will not accept outdated versions of the form.) Do not use multiple entry methods as this can lead to errors or missing information on your final entries.

Please make sure the entry data you submit is accurate. Materials such as question papers, mark sheets and attendance registers are dependent on the entry information we receive. Additional fees may also apply for correcting any errors after the entry deadline.

1.2 Adding your candidate details

When you first log onto the dashboard, you will need to load your candidate information to the 'June 2026' exam series – this is used for all Cambridge IGCSE, Cambridge O Level, Cambridge International AS & A Level and Cambridge IPQ exams.

Click the 'Add Candidates' button next to the relevant series and the screen below will appear. You can choose to enter your candidate data either one candidate at a time using the 'Create new Candidate' option or by importing a .csv file on the 'Add Candidates from Spreadsheet' screen.

- **Create new candidate**

This button will open a form allowing you to manually input the information for a single candidate. Once you have entered the candidate details, click the 'Save Candidate Details' button to add the new candidate to your entries. The fields on this screen are as follows:

- **Candidate Number:**
You must allocate a unique number to each candidate, in the range 0001 to 9999. Do not enter candidates under more than one number. Candidate numbers cannot be changed after you have submitted the entry.
- **Name:**
The name of the candidate, in the format you would like it to appear on your statements of entry and results documents. The maximum number of characters for a candidate name is 60, which includes any spaces – you will need to abbreviate any names longer than this. Do not use commas to separate a candidate's first name from their surname.
- **Date of Birth:**
Enter candidates' dates of birth in the standard UK date format, which is dd/mm/yyyy.

- **Gender:**
Select the gender of the candidate, either 'Male' or 'Female'.
 - **English First Language?:**
Select whether English is the candidate's first language.
 - **CID (Unique Candidate Identifier):**
This allows you to enter a candidate UCI number, which is not needed for general qualifications.
 - **NID (National Identity Number):**
This allows you to enter a National Identity Number, which can be up to 20 characters long.
 - **ULN (Unique Learner Number):**
This allows you to enter a candidate ULN, which should be 10 characters long. ULN information is only required for candidates in the UK.
 - **Status:**
Indicate whether the candidate is a 'School' or 'Private' entry. Candidates who do not take classes at your centre and are only using your centre as an exam venue should be entered as 'Private'.
 - **Previous Centre Number & Previous Candidate Number:**
If the candidate is carrying forward any marks or results from a previous series, enter the centre and candidate number they used for their most recent set of exams. Please note that we still need this information if the candidate is using the same candidate number in the current series.
- **Add candidates from spreadsheet**
This screen will allow you to upload a .csv file containing your candidate data. The required format for this file is shown below. You can download a template file from Direct.

Candidate Number	CID UCI	National ID	ULN	Name	Gender	Date of Birth	Previous Centre Number	Previous Candidate Number	First Language English?	School/ Private Indicator
0005	XX123098765X	001234	6789012345	JOHN KEATS	M	05/08/1996	XX123	7	Y	P

Only the Name, Gender and School/Private Indicator are required – all other fields are optional. However, please note that unused headings in the .csv file cannot be removed (i.e. a 'National ID' column must still be included in the file, even if no candidates have provided a National ID Number).

IMPORTANT: Do not include syllabus information in your .csv file when you upload it to Direct. You must add syllabus entries after you have imported your candidate data.

1.3 Adding your syllabus entries

Once you are ready to add your syllabus entries, go to the 'Prepare Entries' section to add the relevant syllabus information for each candidate. You can either add individual syllabus entries for a particular candidate or enter a group of candidates for the same syllabus option.

- **By candidate**
If you wish to make a syllabus entry for an individual candidate, click on the 'Candidates' tab to display a list of candidates you have entered in this series. Click on the name of the candidate you wish to make an entry for and then click the 'Add Entry' button at the bottom of the page.

The page below will be displayed, which will show all qualifications your centre is eligible to offer, divided into a separate tab for each qualification. Select the relevant tab and then click the 'Add Entry' link next to the relevant subject to see a list of the entry options available in that subject.

Once you have clicked this button, a list of all candidates entered in the current series will be produced. Place a tick beside the name of every candidate you wish to enter for that syllabus/option. Then click the 'Enter Selected Candidates' button to enter the candidates for this entry option. A 'Group' tick box in the column header also allows you to enter all candidates on the screen for the subject at once.

Whichever method you use to add your subject entries, the dashboard will not allow a candidate to be entered for the same syllabus code twice or allow syllabus entries to be made for a disallowed combination of subjects. For example, if a candidate is entered for 0500 First Language English, the site will not allow the same candidate to enter for another option in this subject or to make an additional entry for 0510 English as a Second Language.

If a candidate needs to switch their entry from 0500 to 0510, it would be necessary to withdraw the entry for 0500 First Language English, submit the change and then enter the candidate for 0510 English as a Second Language once the withdrawal has been processed.

For more information on disallowed combinations, please review the specific syllabus information included in this Entry Guide.

1.4 Checking your entries

Once you have added your entry and candidate information you can run a series of reports to check you have entered the information correctly. Please note that these are provisional reports to allow you to check the entries you have uploaded before you submit them. You are responsible for making sure you submit all entries to us by the deadline.

- **Electronic Statement of Entry:**
This generates a PDF copy of a statement of entry, showing the candidate information and their entries.
- **Entries by Candidate Report:**
This produces a report showing all your candidates' entries organised by candidate number. You can download this report in PDF or CSV format.
- **Entries by Syllabus Report:**
This produces a report showing all your candidates' entries organised by syllabus code. You can download this report in PDF or CSV format.

You must make sure your candidates have checked their entry information carefully before you submit it. We will charge late entry fees for any changes you make after the entry deadline.

All these reports can be run from the 'Check Entries' tab shown below:

1.5 Submitting your entries

Once you have checked you are happy with all the information you can submit your entries. Go to the 'Submit Entries' section and click on 'Submit Entries to CIE'.

This screenshot shows the 'Submit Entries' page for the November 2012 series. The page has a navigation bar with links: Home, Bulletins, Administer Exams, Support Materials, Ask CIE, and Log out. Below the navigation bar are tabs for Dashboard, Results, and File Transfers. The main heading is 'Series: November 2012'. A breadcrumb trail reads 'You are here: Dashboard > November 2012 > Submit Entries'. A progress bar shows three steps: '1. Prepare Entries', '2. Check Entries', and '3. Submit Entries'. A red arrow points from a box labeled 'Submit Entries' Tab to the '3. Submit Entries' step. Another red arrow points from a box labeled 'Click here to submit all your entry information to Cambridge.' to the 'Submit Entries to CIE' button. The page content includes a section titled 'Submitting your Entries' with a note about processing time (15 minutes to 48 hours) and an 'Entries Confirmation' section. A yellow box asks 'Ready to submit? Have all your candidates checked their entry details?' with a red arrow pointing to the 'Submit Entries to CIE' button.

To check the status of the entries you have submitted, look at the 'Status' column under the 'Candidates' tab. Or, see the main dashboard, as shown below.

This screenshot shows the 'Dashboard' page for the November 2012 series. The page has a navigation bar with links: Home, Bulletins, Administer Exams, Support Materials, Ask CIE, and Log out. Below the navigation bar are tabs for Dashboard, Results, and File Transfers. The main heading is 'Dashboard'. A section titled 'Manage GQ Series' shows the 'November 2012 Series' with a table of 'Entries'. A red arrow points from a box labeled 'Status of your entries' to the 'Awaiting approval' status in the table. The table shows '5 Candidates | 5 entries' and an 'Add Candidates' button. On the right side, there is a 'Notes' section with 'Current UK time' (14:06 UTC+1, Wed 02 May 2012) and an 'Administering exams' section.

Entries will usually be processed within 1–2 hours. However, during exceptionally busy periods, this can take up to 48 hours. (Examples of exceptionally busy periods include the entry deadline date or when results are being issued for the previous exam series.) If the status of your entries has not changed to 'Complete' within 48 hours, please **contact us**.

1.6 Making amendments

Once you have submitted your initial entries and they have been processed, you can continue to make changes on Direct. These include changing personal details and option codes of existing entries, adding new candidate/syllabus entries or withdrawing candidates/syllabuses. Any changes you make after your initial submission are classified as 'amendments'. You must submit them in the same way as your final entries.

After we have processed your initial entries, two additional tabs will appear on the dashboard, as shown in the image below. The 'Amendments to Submit' tab will produce a list of any changes you have made to your entries since your last submission. You can submit these amendments in the same way as the 'Submit Entries' tab. The 'History' tab will allow you to check when you have submitted your entries for the series.

The screenshot shows the Direct system dashboard for the November 2012 series. The user is logged in as 'test account'. The dashboard has tabs for 'Home', 'Bulletins', 'Administer Exams', 'Support Materials', and 'Ask CIE'. Below these are 'Dashboard', 'Results', and 'File Transfers'. The 'Series: November 2012' is selected, with a 'Back to Dashboard' link. The breadcrumb trail is 'You are here: Dashboard > November 2012 > Final Entries > Candidates'. The 'Candidates' tab is active, showing sub-tabs for 'Candidates', 'Syllabuses', 'Amendments to Submit', and 'History'. A red box highlights the 'Amendments to Submit' tab, and another red box highlights the 'History' tab. A red arrow points from the 'Amendments to Submit' tab to the 'History' tab. A yellow information box states: 'Your submitted entries are being processed by CIE. You can amend an Entry when it has been processed. Processing can take up to 48 hours at busy periods.' Below this, the 'Candidates: 5' section shows a table of candidates with their names, entries, and status. The table has columns for 'Number', 'Name', 'Entries', and 'Status'. The candidates listed are William Shakespeare, Mary Shelley, Charles Dickens, Emily Bronte, and John Keats, all with 1 entry and a status of 'Processing'. A search bar and a filter dropdown are also visible.

Number	Name	Entries	Status
1	WILLIAM SHAKESPEARE	1	Processing
2	MARY SHELLEY	1	Processing
3	CHARLES DICKENS	1	Processing
4	EMILY BRONTE	1	Processing
5	JOHN KEATS	1	Processing

Please make sure that all entry amendments are submitted before the late entry closing date for the series. You will not be able to make any changes using Direct after this date.

1.7 Submitting forecast grades and internally assessed marks

Once your entries have been processed, you can also use the dashboard to submit forecast grades for your candidates or to submit any coursework/oral marks. To submit these, click on the 'Internally Assessed Marks' or 'Forecast Grades' tab at the top of the screen. If you click on 'Internally Assessed Marks' you will see a list of the components that require internally assessed marks, as shown below.

The screenshot shows the Direct system dashboard for the November 2012 series, specifically the 'Internally Assessed Marks' tab. The user is logged in as 'test account'. The dashboard has tabs for 'Home', 'Bulletins', 'Administer Exams', 'Support Materials', and 'Ask CIE'. Below these are 'Dashboard', 'Results', and 'File Transfers'. The 'Series: November 2012' is selected, with a 'Back to Dashboard' link. The breadcrumb trail is 'You are here: Dashboard > November 2012 > Internally Assessed Marks'. The 'Internally Assessed Marks' tab is active, showing sub-tabs for 'Final Entries', 'Reports', 'Internally Assessed Marks', and 'Forecast Grades'. Below this, the 'Components requiring Internally Assessed Marks' section shows a table of components with their codes, syllabus names, component names, deadlines, and status. The table has columns for 'Qualification', 'Code', 'Syllabus name', 'Component name', 'Deadline', and 'Status'. The components listed are IGCSE Physical Education and IGCSE English as a Second Language (Oral Endorsement), both with a deadline of Tue 30 Apr 2013 and a status of 'Marks Required'. A search bar and a filter dropdown are also visible.

Qualification	Code	Syllabus name	Component name	Deadline	Status
IGCSE	0413/02	Physical Education	Coursework (c/w)	Tue 30 Apr 2013	Marks Required
IGCSE	0510/05	English as a Second Language (Oral Endorsement)	Oral Communication	Tue 30 Apr 2013	Marks Required

Click on the name of the component you wish to submit marks for. The site will display a list of the candidates who are entered for that component. Simply complete the marks for each candidate in the box provided or tick the 'Absent' box for any candidates who did not complete the work. Once you have filled in the marks for all

candidates, click the 'Submit Marks' button in the bottom-right corner. Please make sure you check all marks before you submit them, as you will not be able to change them once they have been approved.

The process for submitting forecast grade information is essentially the same as submitting internally assessed marks. The only difference is that the 'Forecast Grade' tab will provide a list of the available grades for each candidate and will ask you to select from the list provided.

Part 2: After submitting your entries

2.1 Viewing your entries online

Once your entries have been processed, you will be able to view your entry information on Direct. This will normally take up to 48 hours. However, it can take considerably longer for entry information to appear at peak periods, such as the entry closing date or when results for a previous series are being released.

You can see your entries on the dashboard at any time, even after entries have closed for the series. Direct will show the current entry information we hold for your centre. You can use the 'Check Entries' page to print your own statements of entry for candidates or to produce other reports for checking your entries.

If you need to make any changes, submit them as soon as possible. Use the same entry system you used to submit the original entries.

2.2 Entry feedback documents

Once your entries have been received and processed, you can download your confirmation documents from Direct.

Statements of entry

We produce a statement of entry for each candidate showing the following information:

- the centre number, centre name and candidate number for the current series
- the candidate's personal details (name, date of birth and gender)
- any previous entry details provided
- a full list of all syllabuses and entry options for the candidate.

You must give all candidates the opportunity to check the details on their statement of entry.

This document also contains a copy of the Notice to Candidates, which gives a brief summary of the conduct required for Cambridge exams.

2.3 Checking your entry information

When you have downloaded your entry feedback documents check them carefully. As stated in the *Cambridge Handbook*, you are responsible for making sure that all entry information is correct.

You should also provide each candidate with a copy of their statement of entry, including private candidates. Candidates should use this to check that their information is correct. In particular, candidates should check that:

- their name has been correctly spelt and is as it should appear on their certificate
- their date of birth and gender are correct
- the total number of syllabuses is correct
- they have not been entered for any unexpected exam components (e.g. they have been entered to submit coursework but they expected to be entering for written papers only)
- there are no warning notices on the statement of entry.

Remember that candidates may be unfamiliar with the entry codes, so they may need help to check that they are entered for the correct exam.

If there are any errors in your entry feedback documents, submit an amendment as soon as possible. We advise you to check that all entry information is correct before the published entry closing date for the series. We will charge late fees for adding a missing subject or changing an entry option after this date. We will not charge you for making amendments to a candidate's personal details before certificates have been produced like their name, gender, date of birth, status (school/private) or whether their first language is English.

Please contact Customer Services if you are unsure about any of the information shown on these documents.

2.4 Exam entry invoices

We will invoice you for all exam entry fees shortly after the entry deadline for the series has passed. A deadline for payment will be stated on the invoice, which will be 28 days after the date the invoice was issued. Fees will be according to the *Cambridge Fees List* for the series, which is updated annually on 1 October and sent to you via the 'My Messages' section of Direct.

We will produce additional invoices each month for any late entries or option code changes we receive after the entry deadline. It is not possible to send a combined invoice at the end of the series to cover all entries and changes.

If you receive an invoice which you believe is incorrect, please raise an invoice dispute by contacting our Credit Control team at the email address printed on your invoice. When emailing, you should provide the following information:

- your centre number
- the reference number of the invoice (this will be shown on the top-right corner)
- a description of exactly which fees listed on the invoice you believe are incorrect or which candidates you feel have been incorrectly charged for
- the reasons why you believe that the invoice should be changed
- any other information that you feel is relevant.

Any such queries will require a detailed investigation but we aim to respond within 21 days wherever possible. **Invoice disputes cannot be resolved by telephone.**

Part 3: Index of syllabus codes for the June 2026 series

3.1 Introduction

This section contains syllabus information for all Cambridge exams available in the June 2026 series. It includes details of syllabus numbers, entry option codes, component weightings and exam durations. Disallowed syllabus combinations are also listed for most subjects.

Component numbers always have two digits. For component numbers that do not begin with a zero, the first digit refers to the paper number in the syllabus and the second digit identifies the component version applicable to your administrative zone.

You can only submit entries for qualifications that your centre has been approved to offer. If you intend to submit entries for a subject your centre has not entered in the past, please submit Preparation – Form 5. This form is available at www.cambridgeinternational.org/preparation

3.2 Use of entry option codes

Each syllabus entry is made up of two pieces of information:

- A **syllabus code**: this four-digit numeric code indicates which subject the candidate is taking.
- An **option code**: this can be up to two digits long and indicates which combination of exam components the candidate will be sitting. The option code will usually start with a letter.

In the subject given below, there are four different entry options, ranging from A to D. Select the option code that shows the combination of exam components your candidates will take. For example:

- If a candidate is entering for the Multiple Choice paper (01), the Extended Theory exam (03) and will be submitting coursework (04), enter them for option code **A**. This option includes all three of the components the candidate intends to sit.

Example Subject 1		0998
Option code	Candidates take components	
A	01, 03, 04 (Extended)	
B	01, 03, 05 (Extended)	
C	01, 22, 04 (Core)	
D	01, 22, 05 (Core)	

Component	Component title
01	Multiple Choice
22	Core Theory 22
03	Extended Theory
04	Coursework 04
05	Alternative to Coursework

- If another candidate is entering for the Core Theory exam (22) instead of Extended Theory and will be sitting the Alternative to Coursework paper (05) instead of submitting coursework, enter them for option **D**.

Example Subject 1		0998
Option code	Candidates take components	
A	01, 03, 04 (Extended)	
B	01, 03, 05 (Extended)	
C	01, 22, 04 (Core)	
D	01, 22, 05 (Core)	

Component	Component title
01	Multiple Choice
22	Core Theory 22
03	Extended Theory
04	Coursework 04
05	Alternative to Coursework

A small number of syllabuses do not need an option code as there is only one valid combination of question papers that candidates can be entered for. If this is the case, the syllabus table will state 'Leave Blank' in the option code column. For all other subjects, the option code is a required part of the entry.

It is not possible to make entries for an individual component or to enter for only part of an option code. All candidates must be entered for one of the entry options listed. **Candidates sitting any other combination of question papers would not be eligible to receive a result.**

3.3 Entry option codes for carry forward components

Please be aware that our carry forward rules have been updated. For full guidance please see [our website](#). You should review this web page before proceeding with your carry forward entries.

Some syllabuses allow candidates to carry forward marks from a previous series within a 13-month period. For Cambridge IGCSE subject marks can only be carried forward **once**, while Cambridge International AS Level marks can be carried forward **twice**. If candidates wish to use marks from a previous series, you should enter them for the relevant 'Mark Carried Forward' component when making their entries.

In the subject given below, there are two entry options. One is for candidates submitting coursework, while the other is for candidates carrying a coursework mark forward. For example:

- If a candidate will be submitting their coursework in the current exam series, enter them for option **A**, as this includes an entry for the coursework component.

Example Subject 2		0999	
Option code	Candidates take components	Component	Component title
A	01, 02	01	Written Examination
B	01, 82	02	Coursework
		82	Coursework Mark (02) Carried Forward

- If a candidate has already submitted coursework in the last 13 months and wishes this mark to be carried forward instead of submitting coursework again in the current series, enter them for option **B**.

Example Subject 2		0999	
Option code	Candidates take components	Component	Component title
A	01, 02	01	Written Examination
B	01, 82	02	Coursework
		82	Coursework Mark (02) Carried Forward

3.4 Entry option codes for staged assessment

Where the syllabus allows, candidates can use a previous Cambridge International AS Level result taken within the last 13 months towards the award of a Cambridge International A Level in the same subject. This option is not available in language subjects, except for English. Syllabuses where a staged assessment option is available are indicated with an asterisk (*) next to the syllabus title.

Some syllabuses offer the opportunity to carry forward AS Level components (e.g. coursework) separate from the rest of the AS Level. If an AS Level is achieved by carrying forward a component from a previous series, this AS Level is itself not eligible to be carried forward. In other words, 'double carry forward' is not allowed for any Cambridge International Education syllabuses.

In the subject given below, there are five different entry options:

- If a candidate will be sitting the full Cambridge International A Level in the current series, enter them for option **AY**. This option contains all AS and 'A2' components.

Example Subject 3*		9600	
Option code	Candidates take components	Component code	Component title
AY	11, 02, 03	11	AS Written Examination
BY	03, 88	02	AS Essay Question
CY	03, 98	03	A Level Written Examination
DY	11, 02, 03, 88, 98	88	June AS Mark (11, 02) Carried Forward
S	11, 02 (AS Level)	98	November AS Mark (11, 02) Carried Forward

- If you want to enter the candidate for the Cambridge International AS Level only in the current series, choose option **S**, which contains only the two AS Level components.

Example Subject 3***9600**

Option code	Candidates take components
AY	11, 02, 03
BY	03, 88
CY	03, 98
DY	11, 02, 03, 88, 98
S	11, 02 (AS Level)

Component	Component title
11	AS Written Examination
02	AS Essay Question
03	A Level Written Examination
88	June AS Mark (11, 02) Carried Forward
98	November AS Mark (11, 02) Carried Forward

- If a candidate has taken the Cambridge International AS Level in the previous 13 months and only wants to sit the 'A2' components in the current series, enter them for either option **BY** or **CY** depending on when their previous AS Level result was awarded.

Example Subject 3***9600**

Option code	Candidates take components
AY	11, 02, 03
BY	03, 88
CY	03, 98
DY	11, 02, 03, 88, 98
S	11, 02 (AS Level)

Component	Component title
11	AS Level Written Examination
02	AS Level Essay Question
03	A Level Written Examination
88	June AS Mark (11, 02) Carried Forward
98	November AS Mark (11, 02) Carried Forward

- If a candidate wants to use a result from the previous November series, enter them for option **CY**.

Example Subject 3***9600**

Option code	Candidates take components
AY	11, 02, 03
BY	03, 88
CY	03, 98
DY	11, 02, 03, 88, 98
S	11, 02 (AS Level)

Component	Component title
11	AS Level Written Examination
02	AS Level Essay Question
03	A Level Written Examination
88	June AS Mark (11, 02) Carried Forward
98	November AS Mark (11, 02) Carried Forward

- If a candidate has taken the Cambridge International AS Level within the last 13 months and wishes to re-sit this in the current series while taking the 'A2' components, enter them for option **DY**. This will enter the candidate for all AS and 'A2' components and also carry forward their previous AS results. The highest set of available AS marks achieved by the candidate from the relevant series will contribute to their result.

Example Subject 3***9600**

Option code	Candidates take components
AY	11, 02, 03
BY	03, 88
CY	03, 98
DY	11, 02, 03, 88, 98
S	11, 02 (AS Level)

Component	Component title
11	AS Level Written Examination
02	AS Level Essay Question
03	A Level Written Examination
88	June AS Mark (11, 02) Carried Forward
98	November AS Mark (11, 02) Carried Forward

You must make sure candidates have a valid mark to carry forward before entering them for a staged assessment option and provide previous entry details with the candidate's carry forward entry.

Notes Candidates cannot carry forward AS Level marks achieved using option codes HY & KY to complete an A Level. This is because the AS Level components in these options come from different exam series. AS Level marks can only be carried forward to complete an A Level when all the AS Level marks were achieved in the same series.

Part 4: Instructions for entering candidates for Cambridge group awards

4.1 Entering candidates for the Cambridge International Certificate of Education (Cambridge ICE)

4.1.1 Introduction

Cambridge ICE is the group award of the Cambridge International General Certificate of Secondary Education (Cambridge IGCSE) and requires the study of subjects drawn from the following five subject groups:

- Languages (Group 1)
- Humanities & Social Sciences (Group 2)
- Sciences (Group 3)
- Mathematics (Group 4)
- Professional & Creative (Group 5).

Centres benefit from offering their candidates a broad and balanced curriculum. To obtain the Cambridge ICE certificate, candidates must:

- be entered for the award
- gain a passing grade in at least seven ICE qualifying subjects
- gain at least six Cambridge IGCSE subjects from the list of qualifying subjects
- gain at least two passing grades in the Languages subject group (Group 1)
- gain at least one passing grade in each of the other four subject groups (Groups 2–5).

4.1.2 How to enter for Cambridge ICE

You must check that your candidates are eligible to receive the group award before submitting the group award entry. Group award entries are not validated by our system. Therefore submitting entries is not confirmation that group award rules have been met. We will charge the entry fee for the group award even if your candidate is not eligible for it. We will only refund the entry fee if you withdraw the entry before the final entries deadline.

You must enter candidates for the award by including the entry code 'ICE' in addition to the syllabus and option codes for the subjects they will be entering in that series. Add this entry code in the same way as an additional syllabus code. If you are unsure how to add the 'ICE' entry code to your entries, please contact Customer Services.

IMPORTANT: You must include the 'ICE' entry code for a Cambridge ICE certificate to be issued. If you do not use the 'ICE' entry code we will not issue a Cambridge ICE certificate but we will issue Cambridge IGCSE and/or Cambridge O Level certificates as normal. Candidates must be entered for at least one qualifying syllabus in addition to the ICE entry in the series where they are entered for the award. This means that candidates you enter for the ICE award only, without any qualifying syllabuses in the current series, will not be eligible for the award of an ICE certificate.

Note that we may be unable to accept ICE entries we receive after the published late entry closing dates. Please make sure you submit ICE entries before this deadline.

4.1.3 Taking Cambridge ICE over two series

We encourage all candidates to enter for the qualifying subjects in a single exam series. However, candidates can accumulate the results to be used over two exam series, provided both series are within a 13-month period. It is not possible to use results from more than two exam series (e.g. a candidate entering for Cambridge ICE in June 2026 may use results gained in the June 2025 or November 2025 series but not both).

If candidates are entering over two series, consider the following:

- Only use the 'ICE' entry code in the exam series where the candidate is completing the award (i.e. when they are taking the last of their qualifying subjects).
- When making entries for the second exam series towards the Cambridge ICE award, you must provide the centre and candidate numbers used in the first series.
- Any syllabus exclusions in force within a single exam series will also apply to the second series. (For example, a candidate may not enter for both 0620 Chemistry and 0653 Combined Science in the same series. Therefore, these syllabuses cannot both count towards Cambridge ICE certification.)

- If any subjects from the first exam series are taken again in the second series, any grade awarded for the re-sit will not count for Cambridge ICE qualification purposes. Additionally, candidates wishing to enter for Cambridge ICE again must meet the eligibility criteria without using the subject entries previously used towards their first Cambridge ICE. We therefore suggest that any candidates not eligible for the Cambridge ICE certificate in the current series withdraw their Cambridge ICE entry.

4.1.4 List of qualifying subjects for Cambridge ICE

Qualifying subjects are shown below. Please note that the list contains all syllabuses available for the June 2026, March 2026 and November 2025 exam series. Subjects are available in the June 2026 series unless otherwise indicated and can be found in the Cambridge IGCSE syllabus list in this guide. Subjects available in the November series only are indicated by (N). Subjects available in the March series only are indicated by (M).

* 0457 Global Perspectives can be taken as a qualifying subject in either Group 2 or Group 5. The subject cannot be used to satisfy the criteria for both subject groups.

** 0680 Environmental Management can be taken as a qualifying subject in either Group 2 or Group 3. The subject cannot be used to satisfy the criteria for both subject groups.

*** 0654 Co-ordinated Sciences is a Double-Award subject and counts as two subjects for Cambridge ICE qualification purposes.

4.1.5 Using Cambridge O Level subjects as part of Cambridge ICE

Although Cambridge ICE is the group award for Cambridge IGCSE, candidates can also substitute certain Cambridge O Level results towards the ICE award in subjects where there is no equivalent Cambridge IGCSE syllabus. Only Cambridge qualifications can be counted towards the Cambridge ICE certificate. It is not possible to count any other IGCSE-equivalent subject.

Each Cambridge O Level subject will be assigned to a subject group and will effectively become an adopted Cambridge IGCSE subject for the purposes of Cambridge ICE certification. Candidates must take at least six Cambridge IGCSE subjects to be awarded a Cambridge ICE certificate.

Please find below a list of adopted Cambridge O Level syllabuses available for Cambridge ICE qualification purposes in 2026. Subjects available in the November series only are indicated by (N).

Group 1 – Languages		Group 2 – Humanities & Social Sciences
3204 Bengali	3247 First Language Urdu	2035 Biblical Studies

	4040 Statistics (N)	7100 Commerce

* This Cambridge O Level syllabus will not count towards the ICE award in the June series as the equivalent Cambridge IGCSE is available.

4.1.6 Confirmation of Cambridge ICE entry

When you receive statements of entry for your Cambridge ICE candidates, please check for the following messages. They will be printed at the bottom of the list of syllabus entries for each candidate. The table below indicates the reasons why these messages may appear and what you can do to resolve them:

Message on the Statement of Entry	Explanation	Action
No Message	The candidate has not been entered for Cambridge ICE and does not appear to meet the criteria for the award.	No action required. The candidate does not qualify for Cambridge ICE and has not been entered.
'Entry criteria for ICE fully met in this session.'	The candidate has been entered for Cambridge ICE and would meet the entry criteria based on their entries for the current series.	No action required. The candidate has been entered and qualifies for Cambridge ICE.
'Entry criteria for ICE fully met in this and available previous sessions.'	The candidate has been entered for Cambridge ICE and would meet the entry criteria when their current entries are added to past results.	No action required. The candidate has been entered and qualifies for Cambridge ICE.
'This candidate has met the entry criteria but has not been entered for the ICE.'	The candidate would meet the entry criteria based on their entries for the current series but has not been entered for Cambridge ICE.	If a Cambridge ICE certificate is required, submit an entry as soon as possible.
'This candidate has met the entry criteria in this and available previous sessions but has not been entered for the ICE.'	The candidate would meet the entry criteria when their current entries are added to past results but has not been entered for Cambridge ICE.	If a Cambridge ICE certificate is required, submit an entry as soon as possible.
'Entry criteria for ICE not met in this session. Please check whether previous entry details should have been supplied.'	The candidate has been entered for Cambridge ICE but does not appear to meet the entry criteria based on their entries for the current series.	If the candidate has previous results to be considered, make sure that you have provided correct previous entry details. Otherwise, withdraw the Cambridge ICE entry as the candidate has not satisfied the entry criteria.
'Entry criteria for ICE not met in this and available previous sessions.'	The candidate has been entered for Cambridge ICE but does not appear to meet the entry criteria even when their current entries are added to past results.	Withdraw the Cambridge ICE entry as the candidate has not satisfied the entry criteria.
'Entry criteria for ICE not met because previous session results mean that award rules cannot be satisfied by current entry.'	The candidate has been entered for Cambridge ICE but has failed one of their qualifying subjects in a previous series.	Withdraw the Cambridge ICE entry as the candidate has not satisfied the entry criteria.

If you believe that any of the messages above have appeared on your statements of entry incorrectly, please contact Customer Services, providing details of which candidate(s) are affected, and which message has appeared.

4.1.7 Calculating the Cambridge ICE award

To qualify for Cambridge ICE, candidates must obtain at least Grade G(g) (or E(e) for Cambridge O Level subjects) in each of the seven subjects from the subject groups listed in section 4.1.4. In addition, only candidates who have taken at least six Cambridge IGCSE subjects will be awarded a Cambridge ICE certificate.

Candidates who meet the requirements of the Cambridge ICE award will be awarded a Pass, Merit or Distinction, which will be determined as follows:

Results	Award
Grade A(a) or above in five subjects and Grade C(c) or above in two subjects.	Distinction
Grade C(c) or above in five subjects and Grade F(f) or above in two subjects.	Merit
Grade G(g) or above in seven subjects.	Pass

Where candidates have taken more than the required seven subjects, the Cambridge ICE award will be decided based on their seven best results, irrespective of subject groups. This is providing that the overall Cambridge ICE criteria have been met (e.g. the candidates have gained a passing grade in each of the seven qualifying subjects and have sat at least six Cambridge IGCSE subjects).

Candidates who fail to gain Cambridge ICE will be awarded Cambridge IGCSE (and, if applicable, Cambridge O Level) certificates showing the results in the individual subjects taken.

4.1.8 Cambridge ICE results and certificates

Candidates who achieve Cambridge ICE in one exam series will receive a separate Cambridge ICE statement of results, a Cambridge ICE certificate and a Cambridge IGCSE certificate showing the grades achieved in individual subjects.

Candidates who achieve Cambridge ICE over two exam series will receive a statement of results and certificate at the end of the first series for the individual subjects taken at that point. At the end of the second series, candidates will receive a Cambridge IGCSE certificate for the individual subjects taken in the second series, in addition to a Cambridge ICE statement of results and a Cambridge ICE certificate.

Where applicable, we will also issue a Cambridge O Level certificate showing the grades achieved for individual Cambridge O Level subjects.

The Cambridge ICE certificate will only show the level of award obtained and will not list the individual subjects contributing to the award.

4.2 Entering candidates for the Cambridge Advanced International Certificate of Education Diploma (Cambridge AICE)

4.2.1 Introduction

The Cambridge AICE Diploma is a group certificate that requires learners to study a compulsory core subject, Cambridge International AS Level Global Perspectives & Research, with Cambridge International AS & A Level subjects drawn from three curriculum areas:

- Mathematics & Science (Group 1)
- Languages (Group 2)
- Arts & Humanities (Group 3).

There is the option to study Interdisciplinary Subjects (Group 4).

To be eligible to receive the Cambridge AICE Diploma candidates must:

- be entered for the Diploma (entry code 'ADIP')
- obtain at least seven credits including the compulsory Cambridge International AS Level Global Perspectives & Research
- obtain at least one credit in each of the three main curriculum areas (Groups 1, 2 and 3) as well as the compulsory Cambridge International AS Level Global Perspectives & Research.

4.2.2 How to enter for the Cambridge AICE Diploma

You must check that a candidate is eligible to receive the Cambridge AICE Diploma before submitting their entry. Group Award entries are not validated by our system. Therefore submitting entries is not confirmation that group award rules have been met. We will charge the entry fee for the group award even if your candidate is not eligible for it. We will only refund the entry fee if you withdraw the entry before the final entries deadline.

You must enter candidates for the award by including the entry code 'ADIP' when you submit syllabus and option codes for the subjects they will be entering in that series. Add this entry code in the same way as an additional syllabus code. If you are unsure how to add the 'ADIP' entry code to your entries, please contact Customer Services.

IMPORTANT: You must include the 'ADIP' entry code for a Cambridge AICE Diploma certificate to be issued. If you do not use the 'ADIP' entry code we will not issue a Cambridge AICE Diploma but we will issue Cambridge International AS & A Level certificates as normal. Candidates must be entered for at least one qualifying syllabus in addition to the ADIP entry in the series where they are entered for the award. This means that candidates you enter for the ADIP award only, without any qualifying syllabuses in the current series, will not be eligible for the award of an AICE Diploma.

Note that we may be unable to accept ADIP entries we receive after the published late entry closing date. Please make sure you submit ADIP entries before this deadline.

4.2.3 Taking the Cambridge AICE Diploma over more than one series

Candidates can accumulate the results to be used towards the Cambridge AICE Diploma over more than one series, provided these series are within a 25-month period. This means that a candidate entering for the Cambridge AICE Diploma in the June 2026 series can only use previous results gained in the June 2024 series or later.

If candidates are taking the Cambridge AICE Diploma over more than one series, the following rules apply:

- Only use the 'ADIP' entry code in the exam series where the candidate is completing the award (i.e. when they are taking the last of their qualifying subjects).
- You must provide entry details from previous exam series so that a candidate can be tracked. For example, in the second series you must provide the candidate's details from the first series, and in any third series you must provide the candidate's details from the second series.
- Candidates cannot count two or more subjects with identical titles or common question papers towards the Cambridge AICE Diploma. This means that a candidate cannot count a Cambridge International AS Level and a Cambridge International A Level in the same subject.
 - An exception to this rule applies for candidates entering for Cambridge International AS & A Level History (9489). They can use up to two History credits towards their Diploma. This

can be achieved by taking the A Level or by taking two separate AS Levels (in two different series) and answering questions on different historical topics in each series. For example, candidates could answer questions from the European section of the papers in 2025, and then answer questions from the American section of the papers in 2026.

- For candidates using two AS Levels in 9489 History, each historical topic can only contribute one credit towards the Diploma. If a candidate achieves a 'mixed' AS Level in 9489 History by answering questions on one topic in the first paper and questions on a different topic in the second paper, the resulting AS Level only counts as one credit. It cannot be combined with another AS Level in History to give two credits. More information on this exception can be found in the group award section of the **syllabus guides** for 9489 History.

You can find a list of qualifying subjects in their respective groups for the AICE award on the next page.

4.2.4 List of qualifying subjects for the Cambridge AICE Diploma

All Cambridge International AS & A Level qualifications can count towards the Cambridge AICE Diploma.

The five curriculum groups are as follows:

Core Group 0	Cambridge Global Perspectives (Compulsory)
Group 1	Mathematics & Sciences
Group 2	Languages
Group 3	Arts & Humanities
Group 4	Interdisciplinary Subjects (Optional)

The following list contains all syllabuses available for the Cambridge AICE Diploma in 2026. Please note that the list contains all syllabuses available for the June 2026 and November 2025 exam series. Syllabuses are available in the June 2026 series unless otherwise indicated and can be found in the Cambridge International AS & A Level syllabus list in this guide. Syllabuses available in the November series only are indicated (N). Syllabuses available in the November series only are indicated (N).

Group 4 – Interdisciplinary Subjects (Optional)		
8021 English General Paper****	9239 Global Perspectives & Research*	9694 Thinking Skills

* Candidates who pass the Cambridge International AS & A Level Global Perspectives & Research at A Level meet the compulsory requirement of the Core group (AS Level Global Perspectives & Research). They have one credit left which counts in Group 4 to contribute to the overall requirement of seven credits.

** 8291 Environmental Management, 8386 Sport & Physical Education and 9990 Psychology can be taken as a qualifying subject in either Group 1 or Group 3. Each subject can only be used to fulfil the criteria for a single subject group.

*** 8695 Language & Literature in English, 9844 Spanish Language & Literature, 9868 Chinese Language & Literature, 9897 German Language & Literature and 9898 French Language & Literature can be taken as a qualifying subject in either Group 2 or Group 3. These subjects can only be used to fulfil the criteria for a single subject group.

**** 8021 English General Paper can only be taken as a qualifying syllabus in Group 4 – Interdisciplinary Subjects.

4.2.5 Cambridge AICE Diploma credit system

The Cambridge AICE Diploma will be awarded on the basis of the following points system:

- A Cambridge International A Level will count as two credits.
- A Cambridge International AS Level will count as one credit.

The following combinations are therefore valid:

Cambridge International A Level (2 credits)	Cambridge International AS Level (1 credit)	Cambridge International AS Level Global Perspectives & Research (1 credit)*	Total credits
3	0	1	7
2	2	1	7
1	4	1	7
0	6	1	7

*Candidates who pass the Cambridge International AS & A Level Global Perspectives & Research at A Level meet the compulsory requirement of the Core group (AS Level Global Perspectives & Research). They have one credit left which counts in Group 4 to contribute to the overall requirement of seven credits.

4.2.6 Calculating the Cambridge AICE Diploma

To qualify for the Cambridge AICE Diploma, candidates must pass the subject in Core Group 0 and at least one subject in each of groups 1, 2 and 3. Candidates must obtain at least Grade E(e) at Cambridge International A Level or Grade e(e) at Cambridge International AS Level. In addition, candidates must pass enough qualifying subjects to gain at least seven Cambridge AICE credits overall. One of these must be 9239 Global Perspectives & Research.

Candidates who meet the requirements of the Cambridge AICE Diploma will be awarded a Pass, Merit or Distinction. Candidates will be allocated points according to the grades they achieve in each subject as follows:

Cambridge International A Level grade achieved	Points for Cambridge International A Level study	Cambridge International AS Level grade achieved	Points for Cambridge International AS Level study
A*	140	a	60
A	120	b	50
B	100	c	40
C	80	d	30
D	60	e	20
E	40		

Candidates may take more than the required number of credits. The rules in such cases are that the grade they achieve for Cambridge International AS & A Level Global Perspectives & Research (Grade E(e)/e(e) or better) will always count. When they have taken and passed at least one subject at Grade E(e)/e(e) or better from each curriculum/subject group (1, 2 and 3), the best total of credits will then be counted for the AICE Diploma. This is irrespective of the curriculum/subject group, to the maximum of six further credits required. **Note:** a maximum of two credits can be used from Group 4 in this calculation.

If a candidate is using an A Level outcome for their counting Global Perspectives they may also use one but not both of any outcome for General Paper (available at AS Level only) or Thinking Skills (available at AS or A Level). Consequently, this would mean allowing the use of an outcome in A Level Thinking Skills for a candidate using their A Level Global Perspectives, even though this will exceed the two credit limit for Group 4. We will only allow this where this combination gives them their best overall outcome.

If a candidate's best overall outcome is achieved through a combination of an A Level Global Perspectives and three A Levels we will allow this, even though it equates to eight credits. The maximum number of points a candidate can be awarded for the Cambridge AICE Diploma is 420. The award the candidate receives is then determined as follows:

Total score	Award (if Cambridge AICE criteria are met)
360 to 420	Cambridge AICE Diploma with Distinction
250 to 359	Cambridge AICE Diploma with Merit
140 to 249	Cambridge AICE Diploma at Pass Level
Below 140	No Cambridge AICE Diploma

Candidates who fail to gain the Cambridge AICE Diploma will be awarded Cambridge International AS & A Level certificates showing the results in the individual subjects taken.

4.2.7 Cambridge AICE Diploma results and certificates

Candidates who complete the Cambridge AICE Diploma in one series will receive a statement of results with an asterisk against the subjects that contributed to the total point score, a certificate showing the grades achieved in individual subjects, and a separate Cambridge AICE Diploma certificate.

Candidates taking the Cambridge AICE Diploma over more than one series will receive a statement of results and certificate at the end of each series as applicable. They will also receive a separate Cambridge AICE Diploma certificate at the end of the final exam series.

The statement of results will show the type of award, the aggregate total point score, the individual subject points and an asterisk against the subjects that contributed to the total point score. An aggregate point score will not be reported on the Cambridge AICE Diploma statement of results for candidates who fail.

4.2.8 Re-sitting the Cambridge AICE Diploma

Candidates can re-sit the Cambridge AICE Diploma if all results counting towards the re-sit fall within a 25-month period. They can also re-sit individual subjects. In this case, the result for 9239 Global Perspectives & Research will be used and then the best six credits, which fulfil the requirements described in section 4.2.6.

Candidates re-sitting the Cambridge AICE Diploma using results over multiple series will not receive a new Diploma if they:

- do not achieve better grades in June 2026; or
- do not pass the subjects entered in June 2026; or
- only qualify for the Diploma using subjects from previous series.

Issuing a new Diploma for these candidates would mean certifying the same result twice. The June 2026 Cambridge AICE Diploma entry for these candidates will be set to 'X' as 'No Result'. We will notify the centre on the date results are issued.
