

Declaration of health

Candidates proposing to undertake a study course or visit to the UK sponsored by the British Council

Any illness or disability declared below will not necessarily prevent you from receiving a Hornby Scholarship award. The information supplied will help the British Council to ensure that suitable arrangements can be made for you as far as possible. Pregnancy or recent birth of a child is not a bar but you have the option to postpone your study if you wish. If an award is made you may be required to have a medical examination and chest X-ray.
