

## Record number of Students from Nepal win the Outstanding Cambridge Learners Awards

### 12 April 2019 Nepal:

Three students from Nepal win Top in the World award and fifty-three students in Nepal have won Outstanding Cambridge Learner Awards for their exceptional performance in the June 2018 and November 2018 Cambridge exam series. There has been a growth of over 40 per cent in the number of winners from Nepal over last year.

The award winners from schools across Nepal was recognized for their impressive academic achievements at the Cambridge Outstanding Learner Awards ceremony, supported by the British Council, on 12 April 2019 at the Hotel Himalaya, Nepal. The ceremony was attended by Ruchira Ghosh, Regional Director (South Asia), Cambridge International, Satyajit Sarkar, Manager Nepal and Bangladesh, Cambridge International and Jim O' Neill, Country Exams Manager from, British Council Nepal, along with other representatives of the British Council.

**Ruchira Ghosh, Regional Director, South Asia, Cambridge International, said** *"We are thrilled by the performance of the students from Nepal and wish them very best as they move onto bigger things and adventures in life. We at Cambridge take great pride in our curriculum as it prepares the students for a great future and higher studies by giving them a deeper understanding of the subjects and enabling them to think independently."*

**Jim O' Neill, Country Exams Manager at British Council Nepal, said:** *"The year 2019 is a special year as we witness the history in making with the highest number of award winners from Nepal ever and it also marks six decades of British Council in Nepal. The success demonstrated by the students is not just a validation of our efforts but also a motivation to everyone involved in education, especially the teachers and academic leaders. I thank all the students for their superb efforts and wish them well on the next step they take in Higher Education and in their careers. I also thank the Ministry of Education for recent clarification that 3 A levels are equivalent to completing secondary education"*

The Nepal students who were awarded by Cambridge International are:

### Notes to the Editors

#### About Cambridge Assessment International Education

Cambridge Assessment International Education prepares school students for life, helping them develop an informed curiosity and a lasting passion for learning. We are part of the University of Cambridge.

Our Cambridge Pathway gives students a clear path for educational success from age 5 to 19. Schools can shape the curriculum around how they want students to learn – with a wide range of subjects and flexible ways to offer them. It helps students discover new abilities and a wider world, and gives them the skills they need for life, so they can achieve at school, university and work.

Cambridge International is the short name of Cambridge Assessment International Education.

## About British Council, Nepal

The British Council is the UK's international organisations for cultural relations and educational opportunities. We create friendly knowledge and understanding between the people of the UK and other countries. Using the UK's cultural resources, we make a positive contribution to the countries we work with – changing lives by creating opportunities, building connections and engendering trust.

We work with over 100 countries across the world in the fields of arts and culture, English language, education and civil society. Each year we reach over 20 million people face-to-face and more than 500 million people online, via broadcasts and publications.

Founded in 1934, we are a UK charity governed by Royal Charter and a UK public body. The majority of our income is raised delivering a range of projects and contracts in English teaching and examinations, education and development contracts and from partnerships with public and private organisations. Eighteen per cent of our funding is received from the UK government.
